

Secrets of my style:

MISS Universe Australia **Rachael Finch**, 20, counts a fluffy red dressing gown as her "must-have" item.

Finch, 20, will represent Australia at the competition in the Bahamas in August.

"If I've something glamorous to go to, I love feeling like a princess in a gown with amazing jewellery," she said.

Finch revealed the designer of her formal gown for the competition was Melbourne-based **Sonia Cappellazzo**.
